ESPS Manuscript NO: 8637

Title: Unreliability of Aortic Size Index to Predict Risk of Aortic Dissection in a Patients with Turner Syndrome.

Author: Sandro Gelsomino

As English is not authors' first language, the undersigned professional editor, Dr Judith Wilson , a native English speaker (also fluent in Italian) who works as an English language editor for many international scientific journals, went over the above mentioned manuscript with authors to help with grammar, sentence construction, word choice and syntax.

Judith Wilson

A handwritten signature in black ink, appearing to be 'JW', with a long, sweeping horizontal stroke extending to the right.
