

# Editing Certificate

This document certifies that the manuscript listed below has been edited to ensure language and grammar accuracy and is error free in these aspects. The edit was performed by professional editors at Editage, a division of Cactus Communications. The sections titled references were not edited by Editage upon the author's request.

The author's core research ideas were not altered during the editing process. Editage guarantees the quality of editing with the assumption that our suggested changes have been accepted and the edited text has not been altered without the knowledge of our editors.

Naples, 19 July 2023

To whom it may concern,

This letter is to state that the revisions related to the manuscript with ID **86511** (manuscript type: review) submitted to the ***World Journal of Methodology*** on 2023-07-12 14:28 with the title "**Telemedicine in inflammatory bowel diseases: A new brick in the medicine of the future?**" and authors "**Antonietta Gerarda Gravina, Raffaele Pellegrino, Tommaso Durante, Giovanna Palladino, Rossella D'Onofrio, Simone Mammone, Giusi Arboretto, Salvatore Auletta, Giuseppe Imperio, Andrea Ventura, Mario Romeo, Alessandro Federico**" were reviewed by Dr Raffaele Pellegrino, MD, holding English level 3 proficiency of the *Common European Framework of Reference*.

This revision determined the basic language editing, including correcting grammar, punctuation, and syntax, performed normatively with the best efforts. This revision targeted all manuscript sections changed from the original submission (2023-06-22 17:41).

Kind regards,

**Dr Raffaele Pellegrino, MD**
