

Translation Certificate

August 29, 2023

I, Professor Dr. Karin Romano Posegger, Ph.D., MSc., as a native American, fluent in the Brazilian-Portuguese language, hereby certify that the following book chapter entitled “Evaluation of Toxicity and Survival of Patients with Multiple Brain Metastases Treated with Isolated Radiosurgery” was properly translated and reviewed. To the best of my knowledge, the translation from Portuguese (Brazil) language into American English language holds true and is accurate according to the grammar and spelling language requirements and rules.
