A machine-learning based decision tool selecting patients with idiopathic acute pancreatitis for endosonography to exclude a biliary etiology

Manuscript-ID:

86626

Dear Professor Tarnawski,
Dear Editorial Board,

this letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research. As a member of the Biostatistic Service of the LMU University Hospital, I have no objections to the publication of the study.

Please do not hesitate to contact me at any time regarding possible enquiries.

Kind regards,

Nadine Koch, M.Sc.
