Dear Dr Lim Chiao Yuen,

Re: "Bleeding Complications After Percutaneous Kidney Biopsy – Nationwide Experience from Brunei Darussalam"

We are pleased to inform you that Medical and Health Research and Ethic Committee has given **full approval** to your research proposal entitled above.

Please adhere to the conditions stated below:

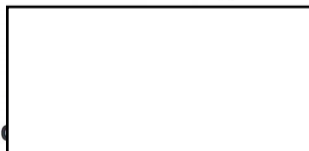

- The study should comply to the Guidelines for Good Clinical Practice
- Any deviation to the study should have MHREC's written approval. Failure to do so will be reported to the relevant authorities.
- Please provide us a report of your research findings

This approval is valid for one year commencing the date of this letter or for the duration of your study whichever is shorter. If you wish to extend your research beyond this period, you are required to apply to MHREC at least one month before the end of your approval including an annual report.

All the best with your research.

"BERSAMA KE ARAH WARGA SIHAT"
'Menjayakan Wawasan Brunei 2035'

Yours Sincerely,

Deputy Chairperson of Medical Research & Ethics Committee

Cc 1. Deputy Permanent Secretary (Professional)
2. Director General of Medical and Health Services

"Bleeding Complications After Percutaneous Kidney Biopsy – Nationwide Experience from Brunei Darussalam"
