

Editing Certificate

This document certifies that the manuscript

Thioridazine reverses trastuzumab resistance in HER-2 positive gastric cancer by inhibiting Skp2-mediated aerobic glycolysis

prepared by the authors

Zhengyan Yang, Yiwei Zhao, Jingrui Xue, Ran Guo, Zhi Zhao, Handi Liu, Zhiguang Ren, Ming Shi

was edited for proper English language, grammar, punctuation, spelling, and overall style by one or more of the highly qualified native English speaking editors at AJE.

This certificate was issued on **November 6, 2023** and may be verified on the [AJE website](https://www.aje.com) using the verification code **F78E-7E5A-6CCD-7078-D46P**.

Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification should be English-ready for publication; however, the author has the ability to accept or reject our suggestions and changes. To verify the final AJE edited version, please visit our verification page at [aje.com/certificate](https://www.aje.com/certificate). If you have any questions or concerns about this edited document, please contact AJE at support@aje.com.

AJE provides a range of editing, translation, and manuscript services for researchers and publishers around the world. For more information about our company, services, and partner discounts, please visit [aje.com](https://www.aje.com).
