

## **Certificate of Biostatistics**

27 Aug 2023

To whom it may concern,

Title of study: Exploring the target and molecular mechanism of glycyrrhetic acid against diabetic nephropathy based on network pharmacology and molecular docking

Corresponding Author: Dr. Yi Nan,

Ningxia Medical University, Yinchuan 750004, Ningxia Hui Autonomous Region, China

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely,

Liqun Wang, Dr., Department of Epidemiology and Statistics, Institute of Public Health, Ningxia Medical University, Yinchuan 750004, China
