

# Certificate of Biostatistics

18 January 2024

To whom it may concern

Title of Study: Predictive model for non-malignant portal vein thrombosis associated with cirrhosis based on inflammatory biomarkers

Chief investigator: Xun Li

Department of General Surgery, The First Hospital of Lanzhou University, Lanzhou, China

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely 

Key Laboratory of Biotherapy and Regenerative Medicine of Gansu Province, The First Hospital of Lanzhou University, Lanzhou, China.
