

Reviewer 1

The authors raised awareness of the cardiac toxicity associated with fluoropyrimidine drugs and its harm, identify high-risk groups prone to FIC, and ensure the safe use of drugs in patients with gastrointestinal tumors

Reply: Thank you for dedicating your time and expertise to thoroughly evaluate my work. Your constructive feedback and suggestions have greatly contributed to the improvement of my research. Your keen attention to detail and rigorous evaluation process have undoubtedly enhanced the quality of the final manuscript. I sincerely appreciate your efforts in ensuring the integrity and credibility of the study.
