JOURNAL EDITORIAL BOARD COMMENTS TO AUTHORS

Colonoscopy plays an important part in detecting colorectal neoplasm for patients with gastric neoplasm. Title: There is a grammatical error. It should be "Colonoscopy plays an important part in detecting colorectal neoplasm in patients with gastric neoplasm." Please change "for patients" to "in patients" The review raises an essential question in clinical practice and is well-designed; the methodology and methods used are well-described. The conclusions made are based on evidence from the study results. However, there are grammatical problems throughout the manuscript. For example, "Gastric cancer (GC) and colorectal cancer (CRC) are the fifth and the third most common cancers worldwide", please add "the" and an s to cancer. Other errors have been noted as well. The whole manuscript needs editing in English.
