

17.01.2024

Dear Editor,

Thank you very much for your work in revising our paper submitted as an Editorial to *World Journal of Gastroenterology*.

**Title: Bridging the gap: Unveiling the crisis of physical inactivity in inflammatory bowel diseases**

**Authors:** Remus Stafie, Ana-Maria Singeap, Adrian Rotaru, Stanciu Carol, Anca Trifan

**Manuscript NO:** 89951

We would like to thank the reviewer for providing comments regarding our manuscript.

**Reviewer#1:**

“Scientific Quality: Grade A (Excellent)

Language Quality: Grade A (Priority Publishing)

Conclusion: Accept (High priority)

Specific comments to authors:

This editorial emphasizes the importance of incorporating physical activity (PA) in the treatment of inflammatory bowel disease. This editorial also successfully provides fundamentals and clinical applications of PA with relevant literature using appropriate sectioning in their structured manuscript. The comprehensive with multifaceted analysis ideally facilitates the enhanced understanding of the observations of Gravina AG et al.”

**Answer:** We would like to thank the reviewer for his comments.

As suggested, we send our revised manuscript to a professional English language editing company to polish the manuscript further. We will upload in the system the editing certificate.

Thank you again for publishing our manuscript in World Journal of Gastroenterology.

Yours sincerely,

Ana-Maria Singeap
