

Editing Certificate

This document certifies that the manuscript
**Can ultrasound predict the risk of early
arterial complications after liver transplantation?**

prepared by the authors

Dong Zhao

was edited for proper English language, grammar, punctuation, spelling,
and overall style by one or more of the highly qualified native English
speaking editors at Longzhu Co., Ltd.

This certificate was issued on **October 14, 2023**

Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification should be English-ready for publication; however, the author has the ability to accept or reject our suggestions and changes.

Longzhu Co., Ltd. provides a range of editing, translation, and manuscript services for researchers and publishers around the world.
