

Dear Editors and Reviewers:

Thank you for your letter and for the reviewers' About "The practical effect of CBL-SSL-TBL combined with training mode and student self-assessment in nursing teaching of gastrointestinal surgery" (Manuscript NO: 90390). Those comments are all valuable and very helpful for revising and improving our paper, as well as the important guidance to our researches. We have studied comments carefully and have made corrections which we hope meet with approval. The main corrections in the paper and the responses to the reviewer's comments are as follows:

1. The manuscript requires a language editing. Some spelling mistakes should be revised. The manuscript requires English polishing

Thanks for your comment. The article has been edited in the language

2. Please define the full words of "CST".

Thanks for your comment. We explained the abbreviations.

CST=CBL-SSL-TBL

CBL=(Case-Based Learning)

SSL=(scene-simulated learning)

TBL=(Task-based learning)

3 The limit of the study should be discussed.

Thanks for your comment. We added the limit in discussion.

3. The authors should edit and update the references. PMID and Doi number are needed.

We added PMID and Doi number .
