

Response to Reviewers

Dear Prof. Jerzy Tadeusz Chudek,
Editor-in-Chief

Thank you for considering the manuscript entitled “**Multiple Thoracic and Abdominal Foregut Duplication Cysts: A Case Report and Literature Review**” for possible publication in the *World Journal of Clinical Cases*.

(Manuscript NO.: 90622, Case Report)

We would like to thank the reviewer for the valid point raised. We revised the manuscript based on the reviewer’s comments. We **highlighted the revised/added contents with yellow color in the revised manuscript.**

The manuscript was edited by American Experts (certificate is attached)

Below is the response to all the points.

Reviewer#1

She gained weight and reached 13.5 kilograms at two years old (at 75th percentile for age). Her weight remained within the 75th percentile for age, and the resolution of her symptoms was confirmed during the follow-up five years later.

This was added in the text at the end of the case description, before the discussion part.

Sincerely Yours

Tuqa Al-Sinan
