

Dear Editor,

We would like to thank you for accepting to reconsider our manuscript titled: *“Management of geriatric acetabular fractures: Contemporary treatment strategies”* for publication in the *World Journal of Clinical Cases*.

We would also like to thank the reviewers and Editor for their insightful comments. All points raised are addressed and the manuscript was revised according to their suggestions. The required files have been also uploaded.

For reviewing purposes, the comments have been addressed one by one and all text changes in the manuscript have been highlighted.

Regarding specific comments:

**REVIEWER #1:**

***Comment:** This manuscript is nicely structured and well written. I have one minor comment about this manuscript. (Comment) 1. Page 4, Mortality, line 11 Correct “Firozabadi” to “Firoozabadi”.*

**Response:** Thank you for the comment. It has been corrected accordingly.

**EDITORIAL OFFICE’S COMMENTS:**

***Comment:** Language evaluation: The English-language grammatical presentation needs to be improved to a certain extent. Before final acceptance, the authors must provide the English Language Certificate issued by a professional English language editing company...*

**Response:** Thank you for the comment. A Professional English Language Editing Company edited the manuscript and the English Language Certificate has been uploaded (American Manuscript Editors. Certificate Verification Key: 083-218-228-927-306)

.

**Comment:** *Please provide the PubMed numbers (<https://pubmed.ncbi.nlm.nih.gov/>) and DOI citation numbers (<https://doi.crossref.org/simpleTextQuery>) to the reference list and list all authors of the references.*

**Response:** Thank you for the comment. The references have been improved according to your instructions.

**Comment:** *Please provide the Figures cited in the original manuscript in the form of PPT...*

**Response:** Thank you for the comment. A PPT file with the figures has been uploaded. Figures and legends have been edited according to your instructions.

**Comment:** *Please obtain permission for the use of picture(s).*

**Response:** All the submitted Figures are original and have not been published anywhere. Therefore, no permission is required.

Once again, we would like to thank you and the reviewers for your time and effort. Please do not hesitate to contact me for any further clarifications and corrections regarding the submitted Manuscript.

Yours sincerely,  
Byron Chalidis, MD, PhD
