Dear Ling-Ling

Please find the manuscript in word format (file name: 9213 – review.doc)

Title: Treatment of Type 2 diabetes: lifestyle, GLP-1 agonists, and DPP4 inhibitors.

Author: Gerald H. Tomkin

Name of journal: World Journal of Diabetes

ESPS Manuscript No 9213

The manuscript has been improved according to the suggestions of the reviewer

Revision has been made according to the suggestion of the reviewer

Have removed Vildagliptin statement about gliptins in renal failure (page 17 2nd para line 4/5 to read:

linagliptin is mostly excreted in pathways other than the kidney and hence dosage does not have to be reduced in moderate renal failure.

References spelling and typesetting were corrected.

Editor

Have shortened title to less than 12 words

Have put in authors full address

Have included running title

Have put in a comment

Have included Doi on references

Many thanks for your help

Best wishes
