

March 24, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 9292-review.doc).

**Title:** Inhibitors of glucose transport and glycolysis as novel anticancer therapeutics

**Author:** Yanrong Qian, Xuan Wang, Xiaozhuo Chen

**Name of Journal:** *World Journal of Translational Medicine*

**ESPS Manuscript NO:** 9292

The manuscript has been revised according to the suggestions of reviewers:

1. Format has been updated (highlighted in red)
2. Revision has been made according to the suggestions of the reviewers. Specifically,
  - 2-1. The paragraph for describing DCA has been rewritten and more information relating to DCA research and clinical trials has been added (highlighted in red). The revised paragraph can be found on pages 15 and 16 of the revised manuscript.
  - 2-2. Figure 1 as well as its figure legend has been modified to improve the image and description of the figures. Table 1 has been modified according to the editor's suggestion (highlighted in red).
  - 2-3. Language of the manuscript has been polished. These language changes are shown in red and can be found on pages 4, 5, 15, 16, and 27 of the revised manuscript.
3. References and typesetting were corrected

Thank you again for reviewing our manuscript submitted to the *World Journal of Translational Medicine*.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Xiao Z. Chen'.
