

**Human Studies Subcommittee (IRB)**

**Miami VA Healthcare System**

1201 Northwest 16th St. • Miami, FL 33125-1693 • 305-575-3179 • Fax: 305-575-3126

---

**IRB APPROVAL - Notification**

Date: July 19, 2013

From: Leonardo Tamariz, MD, MPH, Chairperson

Investigator: Anna Junk, M.D.

Protocol: Evaluation of Veteran Eye Surgery: Improving Vision with Modern Technology

ID: 00839 Prom#: 0002 Protocol#: 4768.02

The following items were reviewed and approved at the 07/18/2013 meeting:

- Investigator File Audit by RCO - Triennial Research Study Protocol Audit (05/22/2013)

In this report, the RCO provides findings, conclusion and recommendations based on a close out protocol audit.

**The Human Studies Subcommittee reviewed the Research Compliance Officer's audit review and considers this event to be closed.**

The Miami VAMC IRB is not connected with, has no authority over, and is not responsible for human research conducted at any other institution, except where a Memorandum of Understanding specifies otherwise. Separate consent forms, initial reviews, continuing reviews, amendments, and reporting of serious adverse events are required if the same study is conducted at multiple institutions.
