

April 24, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 9403 review.doc).

Title: Distribution of the P2X2 receptor and chemical coding in the ileum enteric neurons of the obese male mouse (*ob/ob*)

Authors: Márcia Sanae Mizuno, Amanda Rabello Crisma, Primavera Borelli, Barbara Tavares Schäfer, Mariana Póvoa Silveira, Patricia Castelucci

**Name of Journal:** *World Journal of Gastroenterology*

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

**We would like to thank the editor and the reviewers for their helpful comments and insight regarding our previous submission. In accordance with their suggestions, we have made the changes discussed below.**

This is a well presented paper.

There are 3 small editing errors that need correcting page 13 line 9, \In the present study showed results....', delete 'showed' .

**This has been corrected.**

page 19, figure legend - figure 3. refers to A,A' and B, B'', while in the figure it is labelled A, B, C, D. please change legend to A,B, C, D.

**This has been corrected.**

page 24 figure 4: need to add A, B, C to figure.

**This has been corrected.**

In figure B, P2X2 is obscured in the x-axis label. in figure C, the whole x-axis label is missing.

**This has been corrected.**

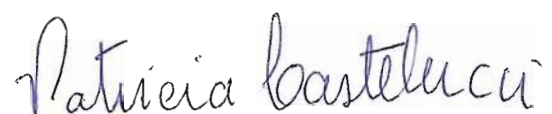

I have seldom read such a clear and well presented manuscript.

Congratulations to the researcher and mentors. end

3 References and typesetting were corrected.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

A handwritten signature in blue ink that reads "Patricia Castelucci". The script is cursive and fluid, with the first letter 'P' being particularly large and stylized.
