Our reference FNT/PvD/Rev
Concerning Submission of revised manuscript

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: ESPS Manuscript NO 9510-edited_1.doc).

Title: 15 year follow-up of quality of life in type 1 diabetes mellitus (FANTA-1)

Authors: Peter R. van Dijk, Susan J.J. Logtenberg, Klaas H. Groenier, Joost C. Keers, Henk J.G. Bilo and Nanne Kleefstra

Name of Journal: World Journal of Diabetes

ESPS Manuscript NO: 9510

First of all, we would like to thank the editor and the reviewers for their valuable critique on our manuscript.

The manuscript has been improved according to the suggestions of reviewers:

1. The format has been updated to 'BPG's Revision Policies for Research Report'.
2. Revision has been made according to the suggestions of the reviewer
 - According to the suggestions of reviewer 646289 we have made, with help from the American Journal Experts language service, corrections in language.
 - Reviewer 39368 did not have any suggestions for revisions. We want to thank the reviewer for his/her review of the manuscript.
 - As recommended by reviewer 674619 we have stressed the novelty and importance of our findings in the discussion of the manuscript.
3. References and typesetting were corrected

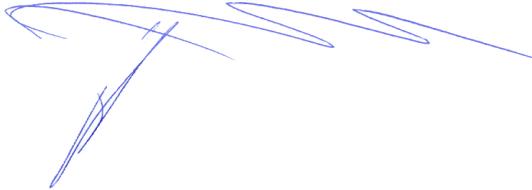

Please find a revised version of the manuscript, with changes highlighted, and all required documents attached. In addition, a certificate for editing the manuscript by the professional American Journal Experts organization is provided.

We did our utmost best to prepare the manuscript according to the (research report) standards and formats of the World Journal of Diabetes. In case of any questions, please do not hesitate to contact us at any time.

Thank you again for publishing our manuscript in the World Journal of Diabetes.

Sincerely yours,

Also on behalf of all co-authors.

A handwritten signature in blue ink, consisting of several fluid, overlapping strokes that form a stylized, somewhat abstract shape.
