

June 10, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 9609-review.doc).

**Title:** Contemporary review of drug-induced pancreatitis: a different perspective.

**Author:** Whitney Y. Hung and Odaliz Abreu Lanfranco

**Name of Journal:** World Journal of Gastrointestinal Pathophysiology

**ESPS Manuscript NO:** 9609

The manuscript has been improved according to the suggestions of reviewers:

1. Revision has been made according to the suggestions of the reviewer

(1) Informative figure mentioned about mechanism of DIAP has been added as figure 1.

(2) Reviewer has asked to address the first and second cause of pancreatitis in the different country. The sentence has been reworded. "Gallstone and alcohol use have been considered the most common causes of acute pancreatitis."

(3) Grammatical errors have been revised throughout the manuscript.

2. References and typesetting were corrected

Pathophysiology

Thank you again for publishing our manuscript in the World Journal of Gastrointestinal Pathophysiology.

Sincerely yours,

Whitney Hung
