COMMENTS TO AUTHORS

Thank you for reporting an interesting and rare case in the gallbladder. However, I would suggest you: 1. Check your English again. There are some mistakes. For example, "CD34 and CD117 was negative" should be "were negative" 2. "The CEA and alfa fetoprotein level were negative" should be "were within normal range" 3. In the abstract, abbreviations of US and CEUS need explanations. 4. How many pathologists confirmed the diagnosis?
