

Feb 9, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 7715-review.doc).

**Title:** Solitary schwannoma of the gallbladder: A case report and literature review

**Author:** Liu LN, Xu HX, Zheng SG, Sun LP, Guo LH, Wu J

**Name of Journal:** World Journal of Gastroenterology

**ESPS Manuscript NO:** 7715

The manuscript has been improved according to the suggestions of reviewers:

1 Q: Format has been updated

A: The format has already been updated upon your request.

2 Revision has been made according to the suggestions of the reviewer

(1). Q: Check your English again. There are some mistakes. For example, "CD34 and CD117 was negative" should be "were negative" "The CEA and alfa fetoprotein level were negative" should be "were within normal range"

A: Thank you for your comment. The English has been checked again and the mistakes have been modified.

(2). Q: In the abstract, abbreviations of US and CEUS need explanations.

A: The abbreviations have been modified in the revised manuscript.

(3). Q: How many pathologists confirmed the diagnosis?

A: Two pathologists confirmed the diagnosis after operation; in addition, another pathologist confirmed the diagnosis again when I reviewed this case one year later.

3 Q: References and typesetting were corrected

A: Done.

**Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.**

**Sincerely yours,**
