To who may it concerns,

The manuscript was re-read carefully by myself, Arash Rafii, MD, PhD.

Dr Rafii has been working in Weill Cornell for the 14 past years and held a Research Fellow at Washington University, St. Louis. He has written over 100 original scientific papers, reviews and medical papers in English language.

Pr. Arash Rafii, MD, PhD

A handwritten signature in black ink, consisting of a stylized, cursive script that is difficult to decipher but appears to be the name of the sender.
