

Informed Consent Statement: Because this study utilizes medical records of those who gave permission for their records to be used for research purposes, most of whom were deceased at the time of the study, the IRB waived informed consent.

Corresponding Author: Amr S. Soliman M.D., PhD.

A handwritten signature in black ink, appearing to read "Amr Soliman". The signature is fluid and cursive, with the first name "Amr" and last name "Soliman" clearly distinguishable. Below the signature is a solid horizontal line.
