World Journal of Hepatology Editorial Office  
Professors Clara Balsano, and Wan-Long Chuang  
Editors in Chief

Dear Drs Clara Balsano, and Wan-Long Chuang,

Thank you very much for considering our manuscript for publication in your journal. We have fully revised our manuscript, entitled “Primary Mucosa-associated Lymphoid Tissue (MALT) Lymphoma of the Liver: A Report of two Cases and Review of the literature” authored by Ifeyinwa E Obiorah Lynt Johnson and Metin Ozdemirli, addressing all of the comments and suggestions of the expert editorial team. We thank all the reviewers and the editorial team for reviewing our manuscript, for their positive valuable comments and constructive suggestions which have enhanced the readability of our manuscript. We have made the amendment as well as revisions required by the editorial office. We hope that the revised manuscript will be acceptable for the publication in your journal.

Yours sincerely,

Ifeyinwa Obiorah  
Medstar Georgetown University Hospital  
Department of Pathology

Washington, DC 20007

## EDITORIAL OFFICE COMMENTS:

1. Provide the manuscript in format of doc not pdf.
2. Include on the title page the conflicts of interest statement, institutional review board statement and informed consent statement.
3. Provide an audio core tip to attract readers to the paper.
4. Put reference number in square brackets in superscript.
5. Provide a comments section. Please make changes to your manuscript accordingly.

## Suggestions

1. A manuscript in doc file has been included.
2. The conflicts of interest statement, institutional review board statement and informed consent statement have been filled out and is included in the title page and uploaded the documents.
3. An audio core tip has been included in mp3 format.
4. The reference numbers have been put in square brackets in superscript as requested.
5. A full comments section with all required subsections have been completed and included in the manuscript.
6. The manuscript has been fully revised in accordance to the guidelines provided.
