## COMMENTS TO AUTHORS

This review article has made a thorough introduction of p21, and has a brief discussion about its potential for a new treatment strategy. One small comment: page 11, line 7. it has a typo. (NLS) should be nuclear localization signal.

## COMMENTS TO AUTHORS

This review has a detailed description about P21's function in hepatocarcinogenesis ,and briefly elucidates its advantages in future treatment of hepatoma. It's a good job ,but one mistake:page 11,line 7, abbreviation NLS should be nuclear locaization signal.
