

**Name of journal:** World Journal of Clinical Cases

**Manuscript NO:** 58852

Dear Editor and Reviewers,

Thank you for your kind letter and for the Reviewers' comments concerning our manuscript entitled "Parents' Experience of Caring for Children with Type 1 Diabetes in Mainland China: A Qualitative Study". Those comments are all valuable and very helpful for revising and improving our paper. We have studied the comments carefully and have made corrections which we hope meet with approval. The main corrections in the paper and the responses to Reviewers' comments are as follows:

**1. Responses to comments of Reviewer 1:**

Comments: 1. There are some minor language polishing should be revised. 2. The discussion is too long, please shorten it. 3. A background should be added to the abstract.

**(1) Comment:**

There are some minor language polishing should be revised.

**Response:**

Thank you very much for your suggestion. We have carefully proof-read the manuscript to edit the manuscript for grammar, sentence structure, word usage, spelling, capitalization, punctuation, format, and general readability. The detailed information has been in revised manuscript.

**(2) Comment:**

The discussion is too long, please shorten it.

**Response:**

Thank you very much for your suggestion. According to the experts' suggestions, the discussion part is further summarized and condensed to shorten the length of the discussion part.

**(3) Comment:**

A background should be added to the abstract.

**Response:** We've added the background

## **2. LANGUAGE QUALITY**

Please resolve all language issues in the manuscript based on the peer review report. Please be sure to have a native-English speaker edit the manuscript for grammar, sentence structure, word usage, spelling, capitalization, punctuation, format, and general readability, so that the manuscript's language will meet our direct publishing needs.

### **Response:**

Thank you very much for your suggestion. We have carefully proof-read the manuscript to edit the manuscript for grammar, sentence structure, word usage, spelling, capitalization, punctuation, format, and general readability. The detailed information has been in revised manuscript.

## **3. EDITORIAL OFFICE'S COMMENTS**

Science editor:

Issues raised: (1) The "Article Highlights" section is missing. Please add the "Article Highlights" section at the end of the main text.

### **(1) Comment**

The "Article Highlights" section is missing. Please add the "Article Highlights" section at the end of the main text

### **response**

We are sorry for our negligence of missing article highlights. We have completed the supplement of the "Article Highlights" according to the specified format. The "Article Highlights" section has been added at the end of the revised manuscript.

We tried our best to improve the manuscript and made some changes in the manuscript. These changes will not influence the content and framework of the paper. We hope that the corrections will meet with approval. Once again, thank you very much for your kindly letter and for the Reviewer's comments.

Look forward to your reply.

Sincerely yours,

Tonghuijuan
