Athens, Greece

Dear Sir/Madam,

My name is Antonia Stamati and I am a teacher of the English language. I am a native speaker (I am Canadian), and I have a Certificate of Proficiency in English from the University of Cambridge (please see attached document).

I would like to state that the manuscript entitled:

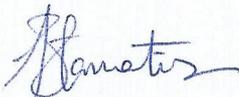

“Efficacy of prone position in ARDS patients: A pathophysiology-based review.”

by authors:

“Vasilios Koulouras, Georgios Papathanakos, Athanasios Papathanasiou, Georgios Nakos”
was edited for proper English language, grammar, punctuation, spelling and overall style.

For any clarifications you may contact me at: ton_stam@hotmail.com

Yours faithfully,
