Title: Retrieving dental instruments through endoscopy - A literature review

Author: Rhonan Ferreira Silva, Ademir Franco, Fernando Picoli, Mayara Barbosa Viandelli Mundim, Livia Grazielle Rodrigues

Name of Journal: *World Journal of Stomatology*

ESPS Manuscript NO: 20695

The manuscript has been improved according to the suggestions of reviewers:

1. As required by the reviewer, all the alterations made according to the referred suggestions are highlighted in the present response letter and in the revised manuscript (in green).
2. A conflict-of-interest statement was added to the title page. Additionally, a conflict-of-interest PDF page was created, signed by handwriting and attached to the submission of the revised version of the manuscript. The model of the statement was retrieved from the journal's website. Specifically, the authors declared that they have no conflict of interest with the submitted research.
3. The core tip was modified according to the reviewer's suggestion and recorded in audio file and attached to the submission of the revised version of the manuscript.
4. Authors' names and affiliations were redistributed according to the order suggested by the reviewer.
5. Telephone and fax numbers were also added as requested by the reviewer.
6. Heading formats were edited as requested by the reviewer.
7. Grammar was double-checked and corrected.
8. References were double-checked, including all the DOI and PMID numbers as requested

by the reviewer. Additionally, the first pages of articles not indexed in PubMed were printed, scanned and attached to the submission of the revised version of the manuscript. The first pages of articles indexed in PubMed, but without DOI were also attached accordingly.

Thank you again for publishing our manuscript in the *World Journal of Stomatology*

Sincerely yours,

Rhonan Ferreira Silva
