

Biostatistics Statement

Manuscript Number: 40740

Title: Effect of a Region-Wide Incorporation of an Algorithm Based on the 2012 International Consensus Guideline on the Practice Pattern for the Management of Pancreatic Cystic Neoplasms in an Integrated Health System

To Whom It May Concern.

This letter is to confirm that I have reviewed the study design and statistical methods used in the study and in my opinion they are appropriate and support the inference presented in the manuscript.

Please contact me if you have any queries.

Sincerely,

Aniket A. Kawatkar, PhD, MS
