We thank the Editor and Reviewers for careful examination of the manuscript.
The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer code 00051398

- (1) The text of the manuscript was re-organized. The statements too long were modified.
- (2) The part on the effects of *H. pylori* on gastric epithelial cells was divided into several parts with subheads and rewritten as suggested.
- (3) Figures were mentioned in the text.
- (4) Typos and grammar error were corrected.
- (5) All changes were yellow highlighted in the text of the revised manuscript.

3 References and typesetting were carefully checked and corrected

In addition, since the language of our manuscript has been carefully revised by one of us (Maria Giannouli) who is native speaker of English, we believe that it has reached your Grade A and thus we are happy to sign such a guarantee.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Raffaele Zarrilli, MD, PhD
