

Patient's consent for the publication of material relating to them in *World Journal of Gastroenterology* journals

This consent form should be retained by the corresponding author and should not be sent to *World Journal of Gastroenterology* journals.

To be completed by the corresponding author:

Subject of article or photograph: Differences in examination results of small anastomotic fistula after radical gastrectomy with the choices of afterward treatments: A case report

Name of author submitting material: Zhushu Guo

Corresponding author's address: Department of Clinical Nursing Teaching and Research, The Second Xiangya Hospital of Central South University, Central South University, Changsha 410011, China

To be completed by the patient:

I give my consent for all or any part of this material to appear in *World Journal of Gastroenterology* journals and all editions of *World Journal of Gastroenterology* journals, and any other works or products, in any form or medium.

I understand that:

- My name will not be published with the material and *World Journal of Gastroenterology* journals will endeavour to ensure my anonymity. However, despite *World Journal of Gastroenterology* journals' best efforts, I understand that it is possible that somebody, for example members of my family or the health care staff who have looked after me, may recognise me from the image and/or the accompanying text.
- The uses of my material may include (without limitation) publication of the material in the print and electronic editions of *World Journal of Gastroenterology* journals, on websites, in sublicensed or reprinted editions (including foreign language editions), and in other works or products.
- I cannot revoke this consent once I have signed this consent form.
- This consent form will be retained by the corresponding author, and will not be sent to *World Journal of Gastroenterology* journals.
