Memo 05/2017

Subject: Data sharing statement– Invited manuscript ID 02985342 - “Solid blues behind broken hearts”: Childhood trauma, nicotine dependence and previous hospital admissions are associated with positive screening for depression in inpatients with cardiovascular disease.”

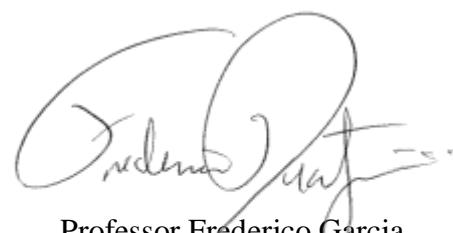

Belo Horizonte, February 23, 2017.

Dear Professor Ma

Dear reviewers,

We would like to inform that, related to the research described on our manuscript, no additional data is available

Sincerely,

Professor Frederico Garcia
on behalf of the authors.
