

35936-Biostatistics statement

The biostatistical analyses were carried out by the first author, Professor B. K. Puri, who, *inter alia*, has the following degrees and diplomas in mathematics and statistics:

- DipStat – including distinctions in statistics and in probability theory
- DipMath
- BSc (Hons) MathSci – first-class honours in mathematical sciences (including statistics and probability theory)
- PG Cert Maths
- PG Dip Maths
- MMath – including statistics, linear statistical modelling, and applications of probability
- MSc (Maths)
