Dear Sir,

Three of the four authors of the manuscript titled "ADHD and comorbidity: A review of literature" (Dr Sundar Gnanavel, Dr Pulkit Kaushal and Dr Sharafat Hussain) [Manuscript id: 48004] are currently practicing psychiatrists at United Kingdom, a predominantly native English speaking country. All the three authors have approved the manuscript and this I believe satisfies the language (editing) requirement.

Regards

Sundar

G. Sundar 5-4-19

Dr Sundar Gnanavel MD; MRCPsych

Child and adolescent psychiatrist

Tees, Esk and Wear valleys NHS foundation trust
