Dear Professor,

Regarding letter from Biostatistician who performed the statistical analysis of the submission .It was done by Ms. Malgorzata Jakubowska, who is a freelancer from upwork website. I reached her several times in order to get a letter of reference for this analysis, however, I could not get a reply.

Enclosed is a payment receipt that I paid for upwork for her cost of services and as a courtesy I mentioned her effort in the acknowledgment section .If I receive any letter from her as a letter during the time of submission and processing of this manuscript, I will forward it to BPG.

Sincerely
