RE: WJCC- 48551

Dear editor,

We appreciate you and the reviewers for the time and efforts in evaluating/reviewing our manuscript "Flapless Immediate Implant Placement into Molar Fresh Extraction Socket Using Platelet-rich Fibrin (PRF): A Case Report" to be considered for publication in World Journal of Clinical Cases.

We are grateful for the opportunity to revise the paper and for the constructive comments in order to improve the overall content and presentation. In this response letter, we have addressed the reviewer's comments, provided additional content as suggested, and modified the manuscript accordingly with the modified text highlighted.

We hope the newly revised manuscript will be acceptable for publication in your respected journal and look forward to your response.

Sincerely,

Prof. Yanmin Zhou

Department of Dental Implantology

School and Hospital of Stomatology, Jilin University,

Response: the changes highlighted in red color in the revised manuscript
