

## ANSWERING REVIEWERS

December 31, 2013

Dear Editor-in- Chief,

Thank you for the helpful comments on our manuscript.

**Title:** New serological markers in pediatric patients with inflammatory bowel disease (invited review)

**Authors:** Márta Kovács, Katalin Eszter Müller, Mária Papp, Péter László Lakatos, Mihály Csöndes, Gábor Veres

**Name of the Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 7314

The manuscript has been improved according to the suggestions of the reviewers:

**1** Format has been updated.

**2** Revision has been performed according to the suggestions of the reviewers.

1 (Reviewed by 02529807): Grammar and syntax have been reviewed. In addition, we have clearly distinguished Crohn's disease from ulcerative colitis.

2 (Reviewed by 02445426): Thank you very much for approving our manuscript for publication.

3 (Reviewed by 00036586): Thank you very much for approving our manuscript for publication.

4 (Reviewed by 00034489):

1) Table 2 (Diagnostic accuracy of the combined novel antibodies with conventional serological markers in children with IBD) has been added to our manuscript.

2) At the beginning of a sentence, pANCA has been corrected.

**3** Typesetting have been corrected.

**4** All changes, which have been made, are underlined in the text.

We hope that our paper could be of interest to the readers of the World Journal of Gastroenterology.

Yours sincerely,

Márta Kovács and Gábor Veres
