

Florence, 7<sup>th</sup> September 2015

Editor-in-Chief of World Journal Gastrointestinal Oncology

Dear Editor,

Please find attached the online submission of the revised manuscript entitled **“MINIMALLY INVASIVE SURGICAL APPROACH TO PANCREATIC MALIGNANCIES”**.

This paper is RE-submitted to be considered for publication as a review article in your journal (*invitation Ref 20052*). Neither the entire paper nor any part of its content has been submitted, accepted or published by any other journal. The major changes are highlighted in green.

The manuscript has been improved according to all the *suggestions* of the reviewers (and of the Editor):

- 1 - A Disclosure statement was added in the 1<sup>st</sup> page
- 2 – A correct link to *Figure 1* was added
- 3 - The final *conclusions* were integrated with a short paragraph explaining the conflicting results and the heterogeneous conclusions of the Literature search
- 4 – An audio core tip was added
- 5- The Copyright statement was signed by all the Authors and attached
- 6- All the manuscript was edited for grammar mistakes and fluency by a native-English professional – (*certificate* attached) – The grammar and spelling mistakes and corrections (many) were not highlighted in green, but they are available through the Track Changes in Word.

Thank you again for the chance of publishing our manuscript in the **World Journal Gastrointestinal Oncology** if it will meet your requirement.

Sincerely,

Lapo Bencini, MD, PhD;
