Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 12788-review.doc).

Title: A proposed case of mesalazine-induced cardiomyopathy in severe ulcerative colitis

Author: Kathryn Fleming, Andrew Ashcroft, Christopher Alexakis, Demitrios Tzias, Christopher Groves, Andrew Poullis.

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 12788

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewers

(1) We have shortened the titles in order to make it more concise

(2) We have included the dose of mesalazine used in this case

(3) We have listed the virology screen

(4) We have created a table of inflammatory bowel disease and myocarditis cases and also have highlighted why we feel this specifically a mesalazine induced case

(5) We have refined the grammar and sorted typos

3 References, typesetting and placement of pictures and tables were corrected

4 Core tips added and Comments section

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Kathryn FLEMING, MBChB, BMedSci
