To whom it may concern

Title of Study: Composition and immuno-stimulatory properties of extracellular DNA from mouse gut flora

Chief investigator: Ce Qi

School of Food Science and Technology, Jiangnan University,
Wuxi 214122, Jiangsu Province, China

This letter is to confirm that I have read the ethics application prepared for this, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

A handwritten signature in black ink, appearing to read 'Shufang Xia', with a stylized flourish at the end.

Sincerely,

Shufang Xia, Ph.D., Department of medical statistics, Wuxi Medical College,
Jiangnan University, wuxi, Jiangsu 214122, China
