Reviewer 1	Answer
The introduction is too long. Should be restrained to two, three phrases, all other points should be moved to other chapters	We did.
The english only need a minor revision.	Extensive language revision has been done. A language certificate by Filipodia was provided.

Reviewer 2	Answer
The article looks clumpy and difficult to understand	Extensive language revision has been done. A language certificate by Filipodia was provided.
Authors should mention the current up-to-date management strategies to the readers and provide suggestions and advice for further research directions.	We have added two section: - up-to date management - research agenda. We reviewed also the section summary and future direction.
