

Certificate of Biostatistics

To whom it may concern

Title of Study: Predictors of difficulty of endoscopic resection for
submucosal tumors originating from muscularis propria layer at the
esophagogastric junction

Chief investigator: Jia Cao,

Endoscopy Center, Department of Gastroenterology, Shanghai East
Hospital, Tongji University School of Medicine, Shanghai, China.

This letter is to confirm that I have read the ethics application prepared
for this study, and that in my opinion the statistical methods and
techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely,

Jie Zhu, Ph.D., Department of Research Management, Shanghai East
Hospital, Tongji University School of Medicine, Shanghai, China.
