Racial and ethnic relations in different populations and immigration studies offer .... in inflammatory

**Name of journal:** *World Journal of Gastroenterology*

**Manuscript NO:** 36042

**Manuscript Type:** SYSTEMATIC REVIEW

## **Epidemiology of inflammatory bowel disease in racial and ethnic migrant groups**

Ravi Misra, Omar Faiz, Pia Munkholm, Johan Burisch, Naila Arebi

### **Abstract**

#### **AIM**

To summarise the current literature and define patterns of disease in migrant and racial groups.

#### **METHODS**

A structured keyword search in Ovid Medline and EMBASE was undertaken in accordance with PRISMA guidelines. Studies on incidence, prevalence and disease phenotype of migrants and races compared with indigenous groups were eligible for inclusion.

#### **RESULTS**

### Match Overview
