Dear Editorial Team of *World Journal of Orthopedics*,

On behalf of our team, I am writing to confirm that I have performed the statistical review for our manuscript **"Adductor canal block implementation and femoral nerve block deimplementation: a new look at implementation science."** It is my opinion that the statistical techniques in this study are appropriate for research.

Please contact me if you have any queries.

Thank you for your consideration in our submission to *World Journal of Orthopedics*.

Sincerely,

A handwritten signature in black ink, appearing to read 'N. Crain', with a long horizontal flourish extending to the right.
