

Patient Consent Form for Publication of Material in
the World Journal of Orthopedics

Title of manuscript: Surgical Treatment of Sacral Fractures Following
Lumbosacral Arthrodesis: Case Report and Literature Review

Author(s): Yu Wang, Xianyi Liu, Chunde Li, Xiaodong Yi, Zhengrong Yu

Name of corresponding author: Xianyi Liu

I hereby give my consent for images and all other clinical information relating to my case to be submitted for possible publication in the **World Journal of Orthopedics**.

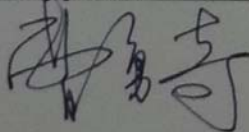

I have seen and read the material to be submitted to the **World Journal of Orthopedics**.

I understand that my name and initials will not be published and that efforts will be made to conceal my identity. However, I understand that complete anonymity cannot be guaranteed.

Upon acceptance, the text of the article will be edited for style, grammar, consistency, and length.

I can withdraw my consent at any time before publication, but once the information has been committed to publication ("gone to press") it will not be possible to withdraw the consent.

Name of Patient: Yongqi Cao

Signature of the family: Patient:

Date: 2015.2.7
