

Biostatistics Statement

7 December 2018

To whom it may concern.

Title of article: **Celiac crisis, rare occurrence in adult celiac disease: A systematic review**

Authors: Daniel Vasile Balaban, Alina Dima, Ciprian Jurcut, Alina Popp, Mariana Jinga

Number: 43214/ *World Journal of Clinical Cases*

This letter is to confirm that all authors of the present article attended the Biostatistics Module at UMF Carol Davila during their PhD and/ or the University medical courses.

Even if a systematic search was applied, on this theme in particular only case-reports were identified. Therefore, no complex analysis or meta-analysis were done.

Please contact me if any queries.

Sincerely,

Daniel Vasile Balaban, MD, PhD
