

Resposns to rewievers

- 1- we added two sentences to introduction section and signed by yellow colour according to suggestions.
2. we added proportional representation to results section and signed by yellow colour.
3. we described the terms of TYB (+),TYB (-), and all groups in the Table 3 and 4.
4. we had no several glucose and lipid metabolic parameters between BED (+) and BED (-) group.
5. we revised typo-errors in the manuscript and signed by yellow colour.

Sincerly yours

Dr. Hasan Belli
