

## Format for ANSWERING REVIEWERS

March 10, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 8937-review.doc).

**Title:** Low-dose tacrolimus with mycophenolate mofetil on the incidence of chronic kidney disease following liver transplantation

**Author:** Hao Jingcheng, Wang Wentao, Yan Lunan, Li Bo, Wen Tianfu, Yang Jiayin, Xu Mingqing, Zhao Jichun, Wei Yonggang

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 8937

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

- (1). Abstract: Methods. Suggest change record to records.
- (2). Abstract: Methods. Suggest changes started to started.
- (3). Abstract: Conclusion. Seems overstated based on findings from this retrospective uncontrolled study. Suggest change to, "In LT patients, the choice of immunosuppression appears to impact renal function and patient survival"
- (4). Core Tip. Suggest similar response as in #3 above as the findings are overstated.
- (5). Introduction paragraph 2. Uses however twice in one sentence, suggest replace the second time with "but such an effect..."
- (6). Introduction Morard reference. It should read, greater than or equal to, instead of less than, for all the drug / level relationships.
- (7). Adjustment of CNI does during follow-up section. Replace through with trough in sentence 3.
- (8). Add percentages to tables.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Yan Lunan, MD
